

Teacher Compensation Worksheet

Tab C: First Year Career Teachers

Copy the first row under "Teacher" to add the number of rows needed to include all affected teachers.

List all career teachers who were beginning teachers during the 2004-05 school year. (Teachers starting their third year.)

Negotiated salary includes Phase I and II payments.

After entering all teachers, sum column E.

Enter the column E total in the Salary Worksheet, Tab A, on line VI.a.
